Fr. David Allen grew up in San Luis Obispo with his five sisters and brother. He attended Thomas Aquinas College in Santa Paula, CA and then St. Michael's Abbey of the Norbertine Fathers in Orange, CA. After a few years he left and studied theology at the International Theological Institute in Austria. At the re-emergence of his call, he entered our diocese, and has now been ordained for 3 years. Ever since he can remember, he's been involved praying outside of abortion clinics, promoting and attending walks for life, and now as a priest speaking out about the dignity of human life. You can find him almost every Tuesday at 10am praying outside the abortion clinic here in town with the St Pat's Pro Life group.
